 Pre-treatment estimate recommended

Dependent coverage: Dependent children are covered up until the end of the month that they turn age 26.

Unless specifically covered by your dental plan, the following are not covered:

- Services that are not dentally necessary and appropriate according to our review guidelines. Services subject to these guidelines include, but are not limited to, root canals; crowns and related services; bridges; periodontal services; orthodontics; and oral surgery. We will make a decision whether a service is dentally necessary based on these guidelines. A service may not be covered under these guidelines even if it was recommended by a dentist. Our guidelines can be found on our website at www.deltadentalri.com. You can have your dentist send us a request for a pre-treatment estimate in advance of the service to see if the service meets our guidelines.
- Services greater than the annual maximum.
- Services received from a dental or medical department maintained by or on behalf of an employer, a mutual benefit association, labor union, trustee or similar person or group.
- An illness or injury that Delta Dental decides is employment-related.
- Services you would not have to pay for if you did not have this Delta Dental coverage.
- Services or supplies that are experimental in terms of generally accepted dental standards.
- Services done by a dentist who is a member of your immediate family.
- An illness, injury or dental condition for which benefits are, or would have been available, through a government program if you did not have this Delta Dental coverage.
- Services done by someone who is not a licensed dentist or a licensed hygienist working as authorized by applicable law.
- Disorders related to the temporomandibular joints (TMJ), including occlusal orthotic device and surgery.
- Services to increase the height of teeth or restore occlusion.
- Restorations needed because of teeth grinding or due to erosion, abrasion or attrition.
- Services done mainly to change or to improve your appearance.
- Splinting and other services to stabilize teeth.
- Laboratory or bacteriological tests or reports.
- Temporary, complete dentures or temporary, fixed bridges or crowns.
- Prescription drugs.
- General anesthesia or intravenous sedation for non-surgical extractions, diagnostic, preventive, or minor restorative services.
- General anesthesia or intravenous sedation given by anyone other than a dentist.

Delta Dental can adopt; and, apply, policies that we deem reasonable when we approve the eligibility of subscribers; and, the appropriateness of treatment plans and related charges.
